

SETUP TAB FEE

The **TAB FEE** module holds all the **TAB FEE** information. Setting up the **TAB FEE** prior to working pending deals will be most helpful and time saving. This module holds your licensing fee defaults; the fees may be edited at the time of the deal. To set up **TAB FEE** information go to **SETUP DEAL VENDERS** in the **WORKBENCH SETUP**.

To access the **SETUP TAB FEE** module go to **DEALS**, **SETUP WORKBENCH**, and **SETUP TAB FEE**.
